SPACE KICKS

erikkuska.com

11/13/23

The background is a dark blue space scene. On the left, a rocket is shown in profile, moving towards the right. On the right side, a comet with a bright yellow nucleus and a long, white, textured tail is streaking across the sky. The text 'SPACE' is written in a large, bold, black, rounded font at the top. Below it, the word 'KICKS' is written in the same style, partially overlapping the rocket's path.
